

Camp House update

Exciting News!

The Shafto trustees have agreed to sell us the hillside for **£1 plus expenses**. We have leased this land from the Trustees since 1964. It covers almost 2 hectares and stretches from Keepers Cottage to the road. It will become available to us after 31 October 2010. So next time you're there - have an explore.... And tell us how you think we should use the land.... Please forward your thoughts to Val Cram

Many thanks *Pat*
