

Camp House update

A brighter Camp House!

Decorators Tamsin and Malcolm from 'Decore - 8 - it' volunteered a week of their time to decorate the kitchen, shower room, outside of building plus pitched in to help with other maintenance tasks - i.e. clearing gutters and drains. Thanks also to Pauline (who provided the paint and wood preservative), Colin, Marian, Kirsty, Val and Alan who cleaned the house top to bottom. A good time was had by all!!! Tamsin and Malcolm even left a basket of flowers at the front door for the group due in the following weekend.

Not been to Camp House for a while?

Why not come along to the Strawberry Tea Monday 21st June and have a look around Camp House and the site and see for yourselves the changes that have taken place.

Many thanks to everyone *Pat*
