

Camp House News

A big thank you to everyone who bought or sold the 'Camp House Christmas puddings and sponge puddings' We made a profit of £1100 again. The profit will be used for one of the many projects needed at Camp House – we'll let you know asap just which one.

Thanks to the funds from last years Strawberry tea and

matched funding, new fire doors have been fitted to the hall/passageway, dormitory and hot water tank cupboard.

A gate and fencing has been fitted at our entrance and also the remainder of our boundary (by the bridge). We have retained the padlock to deter fly tippers.

We hope you and your girls, and friends can join us at our

Volunteer days at Camp House

There is something for everyone whether it's cutting ivy from trees or wall, felling / burning rhododendrons, or putting up bird boxes.

Please contact Pat or Marion with dates you'd like to come along. Usually between 10am and 3pm.

Many thanks to David / Heather Justice and Alan Bennett in February for their help at retrieving stone from the woodland. The stone will be used for dry stone walling behind Camp House.

Hope to see you at the Strawberry tea on Tuesday 4th June . Can anyone support us with match funding?

Thanks Pat and Marion
