

CAMP HOUSE NEWS

Take a glance at our new showers... Thank you for all your compliments. We understand the girls have been sooo excited and on at least one occasion the girls had been queuing to use them—in the morning....

The Leaders shower room is now a wet room; both rooms have extractor fans

The old boiler and water tanks have been replaced with one boiler which provides hot water. All the cold water is fed directly from mains. The boiler room now provides storage space for the upstairs vac etc.

During November our friends Tamsin and Malcolm from 'DECORATE IT' took a week out to painted the entire toilet and shower areas for us. A huge thank you to them.

During September a presentation took place at Camp House.....

Paul Debenham from Durham Freemasons presented us with a £250 cheque for the Lodge and Anita Wilson presented a £1000 personal cheque on behalf of Michael Wilkinson, also from Durham Freemasons. A huge thank you too them both

Many thanks to those who helped or joined us at our Christmas Fayre. It was a little quiet but a lovely day. £425 was raised towards funding the Lodge Development.

Currently we have raised £18573 for the Lodge Development.

Thank you for all your support. Pat Bennett
